

MayDay 101: Surviving In-Flight Emergencies

Don't miss this opportunity to sharpen your aviation knowledge and skill! This event will feature techniques and strategies to cope with in-flight emergencies. Your presenter will review successes and failures of pilots who experienced in-flight system failures, how they handled them, and what you should do when the unexpected happens. This seminar will review aircraft system functions and educate pilots on common accident causal factors. Click the link below and register TODAY.

Directions: Sugar Valley Airport "Blue Hangar". From Interstate 40, take the Farmington Road Exit (174). Proceed north on Farmington Road for 2 miles. Turn Right on to Pinebrook Lane, which turns into Gilbert Road. Proceed to end. Look for Blue Hangar on the right. Follow FAA Seminar Signs posted along the way.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.
